PREFACE

My father-Guru Revered Pandit **Kadalangudi Natesa Sastri** was a pioneer who struggled to search for and discover astrological and other classics. Beginning from 1927 he meticulously and authentically edited and published **Saaraavali**, **Sarvaartha Chintaamani**, **Jaataka Tattvam** and **Paraasara Samhitaa** with Tamil translation and comments.

This book is an English transcreation/rendering of **JAATAKA TATTVAM** and is brought out to serve a wider public. We propose to bring out the other classics **Jataaka Alankaaram** and **Jinendramaalai**.

We will be failing in our duty if we do not acknowledge the encouragement given to us by KARC Advisory Committee.

We are particularly indebted to Professor B. Ardhanareeswaran for all his help and encouragement.

We are highly appreciative of the expeditious and efficient service done by the enthusiastic printer and Publisher Mr. M.A. Jaishankar, proprietor of Jaishankar Printers, **Madras-17**, (India), grandson of Revered Pandit Kadalangudi Natesa Sastri.

We will gratefully receive suggestions for improvement of this book.

ACHARYA KADALANGUDI

*"Cowards die many times before their deaths;
The valiant never taste of death but once."*

How true these words of Shakespeare in the mouth of Julius Caesar were in the case of Revered Pandit **Brahma-sri** Kadalangudi Natesa Sastri. **Here** was a valiant man who braved poverty, braved the ridicule of the athe-ists atheists, braved the obstruction of the orthodox, and the prejudice which some vernacular scholars had been enter-taining against Sanskrit, and with unique and single-minded devotion rendered a **single** service in the spread of the supreme **B**haaratiya wisdom.

Revered Pandit Kadalangudi Natesa **Sastri**, whose **birth** centenary was celebrated in 1978, had a great share in the religious and **cultural Renaissance** since his main work was in bringing the valuable treasures embedded in the ancient literature to the attention of the general public and making them available in a language understood by the layman. It is an evidence of his broad culture and a significant sign of the changing times that he put before one and **all** without distinction of caste or community or religion, Vedic Mantras such as those in the **Taitreeya Aaranyakam**. He had dedicated his life to this noble cause by translating the almost entire religious classics into Tamil and publishing more than 50 books along with the original texts in Devanagari script.

BIRTH AND EDUCATION:

Born on 5th October **1878** of the couple Rama **Saas-**tri and Meenakshi **Ammal** at Kadalangudi Village near

Kumbakonam in Tanjavur District in Tamil Nadu (India) he learnt Kaavyas, Naatakas, Alankaaras, Vyaakarana, Vedanta, Astrology and Mantra Saastras. His Guru **Bhakti** was such that in every publication of his he got it printed that the rendering was by **Mahaamahopaadhyaya Vedantakesari Brahmasri Pangaanadu Ganapati Sastri's** disciple **Pandit Kadalangudi Natesa Sastri**.

ROLE OF EDUCATOR:

In **1908** he started giving discourses at **Tirunelveli** on Advaita Vedanta. From **1914** to 1916 he gave **Vadanta** lessons in Travancore Samasthaanam. During the period he specialized in the study of and discussion on **Bhaagavatam** and Hindu Astrology. He was honoured by the Maharajah of Travancore. On **25th July 1910** he was honoured by the Maharajah of Mysore. While introducing him to the Maharajah, **Dewan V. P. Madhava Row** remarked :

"Though young he is a man of exceptionally brilliant parts and wonderful grasp of the principles of the Vedanta. I derived much benefit from his discourses. What I consider to be a special merit in the young man is his spirit of tolerance."

The Sankaracharyas of Kanchipuram and Sringeri Mutts also had conferred titles on him.

THE TIMES IN WHICH HE EMERGED:

At the beginning of the century Hindu orthodoxy was, to use Shelley's words about Catholicism, "only adoration, faith, submission, blind admiration; not a rule for moral conduct;" and Hindu **Dharma** was "a passion,

persuasion, an excuse, a refuge, never a check according to the temper of the mind which it inhabited." The stalwarts of the Hindu fold were unwilling to deal in a sympathetic spirit with the growing desire of those educated in English schools and colleges to get at the rationale of Hindu custom and usages; and in fact, they refused to encourage any such quest.

These led to the deplorable result of alienating the English educated Hindu altogether from **that** interest in ancient **Indian** knowledge which one would gladly have seen in their mental equipment and from the observance of those rites and ceremonials which form the indispensable discipline making for purity of thought and body, necessary for any spiritual development. Their example easily began to spread this lack of interest even among non-English educated men; for the former were taken to be **the** repositories of modern wisdom whom it would be unfashionable **not** to follow. But, fortunately, the tide has **turned**.

National leaders like **Swami** Vivekananda, **Tilak**, **Aurobindo** and **Mahatma** Gandhi highlighted the salient points of India's hoary civilization and glorious culture inspired by the spiritual insight of her sages, and showed how a departure from which had resulted in her slavery to foreign domination. At such a time emerged on the scene the great Kadalangudi.

JOURNALIST PAR EXCELLENCE :

Pandit Kadalangudi Natesa Sastri settled down in Madras on 27th November 1917. Without much **capital** on hand he set up his own Press and launched his monthly

JOURNALIST PAR EXCELLENCE :

Pandit Kadalangudi Natesa Sastri settled down in Madras on 27th November 1917. Without much **capital** on hand he set up his own Press and launched his monthly

journal AARYAMATA SAMVARDHANEI, which met a long-felt need of the **public**. He popularized through his journal the rare **ancient** religious classics through the medium of reliable Tamil translation and propagated a knowledge of the **significance** of **Hindu** rituals, method of workship, etc.

GRAND PUBLICATIONS:

- The period 1923 to 1928 saw the publication of 9 Vedic books, 6 **Upanishads**, 4 Vols of **Brahmasuutra Sankara Bhaashyam**, 7 Vols, of **Srimad Bhaagavatam** 12 **Astrology** books and more than 12 Stotra books. Each book carried a scholarly Preface as lengthy as Bernard Shaw's detailed contents and an Index of Slokas to be of help to the users of the book; the Rt. **Hon'ble** Srinivasa Sastri echoed the thought of the other readers when he said Kadalangudi's footnotes were imaginative and considerate of the reader's difficulty.

The value of each book was enhanced by the author's collateral references which bring together all the learning on the subject and critical commentary at once admirable and most helpful. In the astrology books' judgement based on the author's experience is also given wherever there are conflicting schools of thought. The meaning of the text is clearly and succinctly explained; the exposition is complete and authoritative.

* No wonder his books are used for research guidance. His astrology books continue to be used as basic **reference** books by Tamil-knowing people all over the **world**.

THE GREATNESS OF KADALANGUDI'S TRANSLATION;

Only those who are engaged in translation work can realize how arduous the work is; while the difficulty of communicating the ideas in one language through the medium of another is always difficult, **it is still** more difficult to translate a valuable abstruse work from Sanskrit in to Tamil. Thiru Vi. Ka. opines thus:-

"Many will flinch from even undertaking the translation of such abstract and scholarly treatises. But this is **what** the learned Kadalangudi **Sastriar** has dared to do in a spirit of dedication and service, regardless of praise or blame. And it is wonderful how well he has done this superhuman task. Our mind does not permit us to state that Acharya Kadalangudi Natesa Sastriar is working at the translation purely **from** the standpoint of learning. But we can confidently affirm that he is labouring also from the standpoint of love that transcends all "knowledge.

This swelling flood of translation flows from a source full of knowledge and love and it is the bounden duty of every Tamilian to drink it...South India was all the poorer for want of accurate translation of the great classics. **But** this want has now been supplied and the ideas in the classics made accessible to the Tamil public by the Tamil translation so nobly undertaken by Acharya Kadalangudi Natesa Sastri, that veteran scholar. We in the South owe him a deep debt of gratitude for this labour of love."

What is not widely known is that he was a great poet; he has left behind him a large number of Sanskrit verses which constituted his diary.

Around 1940 Kulapati K. M. Munshi invited him to become Principal of Bharatiya Vidya Bhavan Sanskrit College in Bombay; Kadalangudi declined it with thanks since he wanted to be self-employed and enjoy the accruing freedom to pursue his studies.

RAJAJI'S TRIBUTE:

While speaking at Kadalangudi's 'Sataabhishekam' function (completion of 81 years 4 months of age equivalent to 100 lunar years) at Siva-Vishnu Temple in Madras on October 11, 1958 Rajaji (who was of the same age) expressed as follows :

"The public need not bother to arrange another grand celebration of my 'Sataabhishekam'. I deem it to have been celebrated along with this function in honour of the veteran scholar Revered Pandit Kadalangudi Natesa Sastri."

Such was the mutual admiration and affection between the two intellectual giants.

HIS END:

The Revered Pandit who laid the Indian public under deep obligation to him by publishing and propagating ancient works and making the most valuable contribution to the study of Advaita Vedanta, Srimad Bhagavatam, and Hindu Astrology attained immortality at the holiest

of holy moments: at **11-30** p.m. on Mahaasivaraatri in 1961 (on Feb. 14, 1961 at the Lingaavirbhava Lagna).

HIS MISSION:

Both in the several books and in his numerous lectures he had stood for the consolidation based on the Vedas of the Hindu **Dharma** by ensuring social unity along with individual purity. He had been and continues to be a source of inspiration to many of his disciples who have profited by learning the gems hidden in the ancient classics both philosophical and didactic, and which have a direct bearing on the practical conduct of everyday.

- He had no sons and therefore he chose to give intensive training in the practice of Astrology to his **youngest** daughter K. N. Saraswathy, and training in exposition of epics and 'Naaraayaneeyam' to his eldest son-in-law **Anantaraama** Deekshitar.

The great Pandit had no patience or time to lose with indifferent disciples or those without intuition, as far as astrology was concerned. Astrological study **required** more **intense** concentration, capacity for application, and intuition. So the only disciple who completed the course and internship in astrology under Kadalangudi was K. N. Saraswathy. **Even** after the course he was happy to have her as apprentice and collaborator in republishing the astrology books.

JAATAKA TATTVAM

EFFECTS OF THE 1st (Ascendant) HOUSE

The body comforts should be ascertained from the lord of the ascendant being placed in the degree of its own exaltation, or its own Navaamsa and associated with or aspected by the benefic. The benefic lord of the ascendant being strengthened and placed in 1,4,7 or 10 or in 1, 5 or 9 and not being aspected by any malefic the physical comforts of the native. The native is bestowed with fame and very good fortune if the Sun is the lord of the ascendant and is strong and is in the degree known as Devalokaamsa and the lord of the 9th is in exaltation.

The native gets good fortune, fame, wealth and long life, if the lord of the ascendant is very **much** strengthened, associated with benefic class (**Subha varga**), is in its exaltation or in its Navaamsa associated with its friendly planets, associated with the lords of the 1st, 4th, 7th or 10th house. There **will** be discomforts to the physique of the native if the lord of the ascendant is associated with a malefic. So is the result of the lord of the ascendant placed in the 8th house. But even in the above cases, if the **lord** of the ascendant is aspected by the benefics, the results will be contrary to what is said before. That is, there will be no lack of physical comforts.

The native is prone to suffer fresh diseases if the lord of the ascendant or the ascendant is associated with the lord of the 6th, 8th or 12th. The native will not suffer from diseases if the lord of the ascendant, even though weakened, is placed in house 1,4,7 or 10 or in 1, 5 or 9.

The native will have a weak body if the lord of the house wherein the lord of the ascendant is placed is house 6, 8 or 12. Likewise it is generally said that the lords of the bhaavas when placed in 6, 8 or 12 harm their own bhaava. The native is cheated by **others**, lives under

fear of thieves, etc. if the malefics are in the¹ ascendant associated with Gulika, or if the lord of the ascendant is associated with a malefic, or if Rahu is in the ascendant. There will certainly be fear of thieves, royal disfavours, cheating by others if the ascendant is associated with or aspected by Saturn.

The elders opine that the native will have a large kidney if Rahu is associated with Mars and is placed in the ascendant or if Rahu is associated with Saturn. The kidney of the native will be enlarged if the lord of the ascendant is in the 8th house, or if Rahu and Gulika are in (he 8th house. The kidney is large if Rahu is in the ascendant, Gulika is in the 5th or the 9th house Mars in association with Gulika is in the 8th house. The kidney will be large if the lord of that house (wherein the Navaamsa of the lord of the ascendant is placed) is associated with Rahu, Mars and Gulika. The kidney will be enlarged if the lord of the house housing the lord of the 8th house is associated with Rahu.

It is said that the native will have head injuries caused by the pelting of stones or by a knife etc., if Mars is the lord of the ascendant and is placed in the ascendant, and associated

with or aspected by a malefic. If Saturn is placed as said before (*i.e.* Saturn being the lord of the ascendant and is placed in the ascendant and is associated with or aspected by a malefic) the native will suffer head injuries due to wind, fire or weapon or falling On the ground.

The astrologists proclaim that the native will have a big head if 5 ghatas are past at the time of birth in the Lagna, will not have a big head if only 2½ ghatas are past, will have a small head if less than 2i ghatas are past. They say that the native will have a lean body if a dry sign (**Raasi**) is the ascendant and therein is housed a dry planet. The native will suffer much and have a lean thin body if the lord of the ascendant is associated with a dry planet or housed in the house of a dry planet, and the lord of the ascendant is in the 8th house and an ascendant is a dry sign. If the lord of the Navamsa of the house occupied by the lord of the ascendant is in dry sign the body of the native will also be dried up. It is said that the native will have a thin body if the dry sign is the Lagna and associated with many malefics.

The native will have a fat body if the ascendant is a wet sign and associated with **the benefics**. They teach that the physique of the native will be well-built if the ascendant is a

wet planet, is strengthened and is associated with gentle planets. The physique of the native will be well-built if the lord of the ascendant is in a wet sign, is associated with a wet planet or aspected by a wet planet, the ascendant being the sign of a benefic, the lord of the Navaamsa of the house occupied by the lord of the ascendant placed in a wet sign.

The physique will be well-built as said above if the sign (**Raasi**) of the benefic is ascendant and devoid of the aspects of any malefic. The body will be healthy if Jupiter is in the ascendant or the ascendant is aspected by Jupiter or a planet having a wet sign, or the ascendant is a wet sign. It is said that the body will be very stout if there are benefics in the ascendant and aspected by other benefics. It is said that the native will suffer from evils caused by the witches if Saturn or Rahu is in the ascendant.

The native will suffer from breathing trouble, tuberculosis, stomach-ache, etc. if the Sun is in the ascendant and is being aspected by Mars. The native will undergo sufferings caused by weapons if Mars is in the ascendant and aspected by Saturn and the Sun. There will certainly be fears caused by thieves and witches

(devils) if **Ketu** is in the ascendant and is aspected by many malefics. The native will loiter much if the ascendant is in a movable sign or the lord of the ascendant is in a movable sign. They say that the native will travel much if the movable sign is an ascendant and the Navaamsa ascendant also is a movable sign. The native will visit foreign countries if the movable sign is the ascendant and the lord of the ascendant is in the movable sign and aspected by the movable planets. If the ascendant is a fixed Raasi, the native will earn much fortune in his own native land. The native will be very wealthy if the fixed sign is the ascendant and therein are housed fixed planets.

When the fixed Raasi becomes the ascendant and therein are posited fixed planets or a movable planet and a fixed planet the native gets great fortune and fame; and with fame and fortune he moves to many places, steps in ill-ways (in order to get high positions). The native is serious-minded if the lord of the ascendant is strengthened and is in its exaltation. If the lord of the ascendant is weak the native is opposite of what has been said above, (i.e. he is not serious-minded) and is also an idiot. But if the lord of the ascendant is aspec-

ted by or associated with or the ascendant is aspected by or associated with benefics, the native will not be an idiot. The native leads a comfortable life since his childhood if the benefics are in the ascendant and aspected by other benefics. If in such positions there is any relation (*yoga*) with any malefic, the native will not have a comfortable life right from his childhood. The native is always grief-stricken from his birth to his death, if many malefics are placed in the ascendant. The native is blessed with comforts till his death if the lord of the ascendant is in the ascendant. The native is blessed with comforts till his death if the lord of the ascendant is in Vargottamaamsa or in its own exalted Navaamsa, or in the trintal (*treshkaana*) of its friendly house and aspected by or associated with benefics.

The native begets happiness in his early and middle stages of life if the ascendant (**at** the birth) and benefics are in 12 and 11 **and** the lord of the ascendant is strong and is placed in a quadrant and Jupiter is in Simhaasanaamsa. Similarly those born at a time when the ascendant, the 2nd **and** 3rd houses are aspected by benefics, and the lord of the ascendant is **benefic** and benefics are in the **amsaa** called Paaraa-

vataamsa, enjoy happiness in the early and middle stages of their lives.

The person enjoys his childhood if at his time of birth the ascendant is strong and Jupiter occupies the 1st, 4th, 7th or 10th house. The person enjoys comforts and pleasures through wife, offspring and friends when the lord of the ascendant is in what is called **Paaraavataamsa**. The native enjoys comforts in his middle and old ages if the lord of the ascendant is in what is called **gopuraamsa**, Venus is in what is termed as **Devalokaamsa**, and the ascendant is aspected by benefics. There will be first sufferings and then comforts in the lives of those whose horoscope contains a benefic in the ascendant, a malefic in the 2nd house and 1,4,7 and 10 is occupied by malefics and the lord of the ascendant in **Vargottamaamsa**.

The childhood will be comfortable and the later stages will be full of hardships if the ascendant is occupied by a malefic, benefics in the 2nd and 9th, and the lord the ascendant in **Devalokaamsa**. The great sages of astrology proclaim that the native will enjoy a high reputation far and wide if the lord of the ascendant is in the 10th, the Sun in the ascendant and aspected by or associated with benefics, or the lord of the Lagna is placed in its exaltation

house. The native becomes notorious if at the time of his birth malefics are in the ascendant, Rahu is coupled with the lord of the Navaamsa in 1,4,7 or 10, a malefic in the 10th, a debilitated (or malefic) planet occupying the ascendant and even aspected by the Sun. The lord of the ascendant and the lord of fortune even when placed in debilitation but moving towards their exaltation bestow worldwide fame on the native. When aspected by or associated with benefics, both the lord of the ascendant and the lord of fortune give worldwide fame). If Venus occupies the 1st half of the ascendant the native enjoys happiness in the earlier stages of his life and sorrow in the later stages. There is also sorrow and grief if malefics occupy the 4th and 5th houses.

The native is blessed with a good fortune, fame, wealth, prosperity and a long life if the lord of the ascendant is aspected by or associated with benefics and is placed in exaltation or in the 1st, 4th, 7th or 10th house, or in the 5th or 9th aspected by a benefic, or in its own house along with the lord of Karma. The lord of the ascendant bestows a steady pros-

perity, a long **and virtuous** life dispelling a pre*
mature death when it is highly strengthened
and aspected by benefics and not by any male-
fics and is placed either in 1,4,7 or in 10. The
persons in whose horoscope there is no malefic
in the 1st, 4th, 7th and 10th houses in the 1st,
5th and 9th houses, in the 8th house **and** the
lord of the ascendant and Jupiter are placed in
the 1st, 4th, 7th or 10th house, **enjoy** comforts
and pleasures of **various** sorts, do various noble
acts, live a **hundred-year** life without suffering
any ailment. **But** if the lord of the 5th is stron-
ger than the lord of the ascendant and malefics
occupy the 1st, 4th, 7th and 10th houses the
native has a short span of life or will have a
middle-aged life **and** may have a long life by his
efforts and sufferings.

The native has an Unusual life-span of **2000**
years if Mercury Venus and Saturn are placed
either in the same **Navaamsa** or in the 9th house,
or in the ascendant and the Moon in the 6th
or 8th house, or in the ascendant and the Moon
in the 6th or 5th house. The native takes up
the course of an ascetic ('**sanyaasam**') in his
childhood, lives for 51 years and becomes the
author of many Saastras (authoritative works)
if all the planets are in the degree of Jupiter, in

the 1st, 4th, 7th and 10th or 9th house. The Sun, Mars and Jupiter when placed in the degree (amsa) of Saturn strengthened in the 10th and 9th houses, the Moon placed in that ascendant which is the last degree of the Raasi, bestow 51 years of life and prosperity to the native. The native will adhere to the principles preached by the Saastras and live for 31 years only when in his horoscope the lord of the 9th is placed in the 9th, the Moon in the degree of Mars and aspected by benefics and the Muneeswara Yoga (Yoga for asceticism) is also explicit.

If the lord of the 3rd is in own house and aspected by a benefic, the native **will** have **brothers**. If the lord of the 3rd is conjoined with a benefic in a Kendra, brothers will be favourable to the **native**. If the 3rd house is

conjoined or aspected by a benefic and if the lord of the **3rd** is strong, the native will gain brothers. If the lord or **the** Kaaraka of the **3rd** is strong and has relationship with a benefic, gain of brothers is predicted.

6—11) If the lord of the 3rd is in Gopuramsa and the Kaaraka (of the 3rd) is in Simhasanaamsa, and if it happens to be a benefic's house, brothers will be **born**. of the 3rd is debilitated or in a '**Neeca** Navaamsa' and is aspected by a malefic, and is in an Shashthyamsa, there will be loss of brothers. If the 3rd house gets association or aspect of evil planet(s), loss of brothers will happen. If the lord of the 3rd is hemmed between evil planets, loss of brothers is to be predicted. Loss of brothers will be there if the 3rd house is in the midst of evil planets or is conjoined with a debilitated planet, and has no aspect of any benefic.

26—33) If the lord of the amsa occupied by the lord of the 3rd is in the 6th which is a debilitated, '**astangata**', or inimical (house), harm to brothers is to be foretold. If the lord of the 3rd is in the 3rd in **Kroora-Shashthyamsa** and aspected by malefics, there will be harm to brothers. If the lord of the amsa, in which the lord of the 3rd is posited in Navaamsa, is posited in the 6th, harm to brothers will be the effect. If the lord of the Navaamsa, in which the lord of the amsa occupied by the lord of the 3rd is debilitated, '**astan-**

ect on the 3rd, or if the 3rd is conjoined with a malefic, or if **the** 3rd lord is strong, the native will be heroic. If the lord of the 3rd is in Kendra or Trikona, the native is heroic. If the lord of Lagna and the lord of the 3rd conjoin, the native will have **heroism**.

Yoga for living on noted work, quarry/firewood work

Yoga for begging

54—57) If the Moon is in Aries and aspected by Mars, the native is a **beggar**. t If the Moon has no benefic's aspect, the native will be a slave or beggar. If all the planets have attained **Neecaamsa**, or have 'set' (reached 'Astama^{na}') in the Sun in the 10th or 11th house, the native is a beggar. If Jupiter is in the 12th, Saturn in Kendra, and the Moon in Lagna, the native is a beggar.

t Some wealthy persons born in this Yoga have been observed begging.

10th from Lagna is posited in Gochara. If the **wealth-giver** is the Sun and if he is posited in exalted place, he will confer wealth on the native. If benefic planets are in 1st, 2nd and 11th houses, the native will obtain wealth in various ways.

EFFECTS OF **THE 4th (relations) HOUSE**

1—6) If the native is born under the Scorpio sign, the mother will have no breast milk to feed the baby. If Mars is in the 10th and Jupiter in the 8th and both are strong the native " will get no comfort from the mother. The same will happen when the Moon is in either 6th or 8th and Mars in the 7th associated with a malefic. If either the Moon or Venus is associated with or aspected by or caught between malefics, there will be no comfort from mother. Similar is the fate when either the 4th sign or the lord of the 4th is associated with, aspected by or caught between malefics.

6—11) If Venus is posited in the 7th place from the Moon and is associated with a malefic, there will be comfort from the mother. If Saturn is in the 4th and aspected by a malefic, the

· mother will die soon. With Saturn in the **4th** and aspect of a benefic, the mother's death will take place after a very long time. If Saturn is in a malefic sign associated with a malefic, the death of mother is certain. If the Moon is in the 5th place there will be comfort from the mother. Likewise is the case when the Moon or Mars is in the 10th or 9th house.

12—18) If the **Moon** is in the 7th associated with a malefic, there will be no comfort from the mother. The same will happen when Jupiter is in Lagna, Saturn in the 2nd, and Rahu in the 7th. If the Moon is between malefics or if the malefics are at the 4th or 7th place from the Moon, the mother will die. If the lord of the 1st, 4th or 9th is in the 1st, 5th or 9th house or in Kendra position, the mother and father will die together.

19—25) When Saturn is in the 1st, **5th** or 9th place from the Moon, the native **born** in the night will lose his mother. If a benefic is in the

4th house or if the Maatru Kaaraka is strong associated with a benefic and posited in the 4th the mother will live for a long time. The mother will live long if the Moon is strong and Venus is associated with or aspected by a benefic. The same is the case when Venus or the Moon is in a benefic Navaamsa or in a Kendra. Find out the lord of the Navaamsa occupied by the lord of the 4th. If the lord of the Navaamsa occupied by that lord is in Kendra and strong, the native's mother will live long.

More about mother

24-32) If the lord of the 4th is in Lagna and strong, the mother will be chaste. If the lord of the 4th is in 'Vaiseshika' amsa and aspected by a benefic, the mother will be chaste. The same is the case when the lord of the 4th is aspected by either a benefic or the Sun. If the lord of the 6th is associated with Mars and the Moon in the 4th aspected by a malefic, the mother will be unchaste. If the lord of the 4th together with Rahu is associated with a malefic, the mother will be unchaste; (maybe only mentally.) If the lord of the 4th and the lord of the Lagna are mutually friendly and either asso-

ciated with or aspected by a benefic the person will be friendly with the mother. Likewise is the case when the lord of the 4th is in Kendra and aspected by either the lord of the Lagna or a benefic. If there are malefics in the 4th house, the native will have two or more mothers; but if a **benefic**, only one **mother**.

If benefics are within the 4th house from Lagna, the baby will be happy in his 1st year. If Jupiter is in Kendra, and the lord of the Lagna in the Paaraavata amsa, the child will be happy in his younger years. **With** a benefic in the 9th, a malefic in the Lagna, and a benefic in the 2nd, and if they are in 'Devaloka' amsa, the native will be happy in his childhood. If Venus is in Lagna, the native will be **happy** in the first half of his life. If the lord of Lagna is in a benefic's sign or aspected **by** a benefic

and is in **Gopura-amsa**, the **native** will be happy in the 4th part of his life.

Happy when?

40—47) If either the lord of **Lagna**, or the lord of the **Navaamsa** is occupied by the lord of **Lagna**, or the lord of the 11th **house** is in **Sagittarius**, happiness will be after the 20th year. Happiness comes after the 30th year when either the lord of the **Navaamsa** occupied by the lord of **Lagna** or the lord of the **Navaamsa** occupied by the lord of the 11th is in **Kendra**. If benefics are in the 8th place from the 5th (i.e. in the 12th house), happiness will be in middle age. Happiness will be in youth time, when **Jupiter**, the lord of the house occupied by the **Moon**, and the lord of **Lagna** are in **Kendra**. If benefics are in the 1st, 11th and 12th, and **Jupiter** in **Kendra** in the **Simhaasana** amsa, happiness to the native comes in his early and middle years. When benefics aspect the 1st, 2nd and 3rd signs and if **Jupiter** is in **Paaraavata** amsa in **Lagna**, a beneficial sign, there will be happiness of the native in his early and middle years. If malefics are in the 2nd, and benefics in the **Kendra**, and the lord of **Lagna** in **Vargottama** amsa, the person will be unhappy in his early years but happy later. If benefics are from the 9th to the 12th

houses, **the** person will be happy in his later life. If Venus is in Devaloka amsa and if Gopura amsa is rising in the Lagna and aspected by benefics, the person will be happy both in middle **and** later years,

Happiness

49—60) If a **benefic** is in Lagna and is aspected by a benefic and unassociated with a malefic, the person will be happy. Sorrow

61—74) He who is born in Aries amsa will be sorrowful due to a cat or rat. He who is born in Leo Navaamsa will have sorrow from a dog. He who is born in Virgo Navaamsa will have sorrow from a spark of fire. When Mercury, Rahu and the Sun are in the 5th, Mars in the 4th and Saturn in the 8th, the person will be sorrowful. If malefics are in Lagna, the person will be sorrowful. A malefic in the 4th and a weak Jupiter cause sorrow though the person is rich. The same is the case when the lord of the 4th is either weak or associated with a malefic.

If the lord of the 4th is in the Navaamsa of a malefic or in a debilitated sign he will be sorrowful in spite of riches and sons. Mars associated with the Sun, and the lord of the 4th, both being in the Navaamsa of malefics and unaspected by benefics, cause sorrow throughout life. When the Sun and Mars in the amsa of a debilitated sign or in the amsa of an inimical sign, although posited in the 4th, are aspected by a malefic from an evil amsa, there will be loss of house and property due to lack of care and attention. Further, the person will be unhappy. When the lord of the 8th is in 11th, the person will be unhappy in childhood. With

Saturn in Lagna, Rahu in the 8th and Mars in the 6th the person will be sorrowful. If the Moon is between malefics, the person will be unhappy. If the lord of Lagna is in the 12th and a malefic in the 10th and if Mars and the Moon are associated, the person is unhappy:

A house made of timber will be there, if Jupiter is in the 4th place from the Navaamsa Lagna. If the Sun is in the 4th place from the Navaamsa Lagna the person will have a hut (made of grass). Navaamsa occupied by the lord of the 4th in Kendra, there will be gain of a house. With the lord of the 9th in Kendra, the lord of the 4th in own exalted house or in a friendly sign, and a planet in exaltation in the 4th house, the gain of a beautiful house can be predicted. A benefic in the 3rd sign, the lord of the 4th and the lord of the Navaamsa occupied by the lord of the 4th, both being strong, give to the native a storied house with compound. The number of malefics that are with the lords of the 10th, 4th, 2nd and 12th and are posited in the 6th, 8th or 12th will be the number of houses consumed by fire. If Rahu and the Sun are in the Nayaamsa Lagna and aspected by Mars, the person's house will be burnt to ashes. If the Sun is in Kendra or in the 1st, 5th or 9th, the person's house will

fall down due to decay and degeneration. There will be destruction of the house, if the lord of the 4th is in the 6th and aspected by a malefic. If the lord of the Navaamsa occupied by the lord of the 4th is in the 6th sign, the destruction of the house can be predicted. If the lord of the 4th is in the 8th, the house will fall down to pieces. The number of malefics with which the lords of the 4th, 2nd and Lagna are associated will be the number of houses which will meet with destruction. But if they are aspected by benefics, such a destruction will not take place.

Living in same or several houses

98—101) If the 4th is a moveable sign and if the lord of the 4th or the Kaaraaka of 'griha' is in a fixed sign, the person will have to live in, several houses. If the lords of the 10th and 4th are strong and mutually friendly, the person will have much landed property. The same is the case when either the 4th sign or the lord of the 4th is associated with a benefic. Similar result comes when the lord of the 4th is in the sign Gopura amsa of the 5th sign. If the lord of the 4th is associated either with the lord of the 3rd or with the Kaaraka of the brother the person will obtain land from brother. If the lord of the Lagna is strong and is in the 4th and the lord of the 4th is strong and is in Lagna and aspected by benefics, the person will purchase land by self-effort. If Venus, the Kaaraka of spouse, is in the 4th and the lord of the 4th in the 7th and are mutually friendly, the person will get land through his wife. If the lord of the 6th is in the 4th and the lord of the 4th is in the 6th and the latter is stronger than the former, the person will get land through his enemy. If the lord of the 4th is in an evil Shadvarga or a malefic is in the 4th sign the land will be lost. The same fate will overtake if the lord of the 4th is in the 6th, 8th or 12th sign. If the lord of the 4th is in the 2nd sign associated **with** a malefic, or **in** a debilitated sign or in an inimical sign, the person will lose his landed property. If the lord of the 10th associated with a malefic is in **the** 4th, there will be loss of land. If the lord of the 10th is **in** the malefic inimical or cruel amsa or in bad Shadvarga of the 4th house there will be destruction of land. When the lord of the 4th is in the 10th along with the Sun, the land will be lost due to the anger of the king. A similar fate comes when the lord of the 4th associated with a malefic also comes together with the lord of the

Navaamsa occupied by the lord in whose Navaamsa the lord of the 2nd is posited.

Sale of land

117) If the lord of the 4th is in exaltation, and the lord of the 2nd is a malefic and is in a debilitated inimical sign, the person will **sell** his land.

and the **lord** of the 4th is associated with a benefic. If a planet is in an exalted sign, in a **friendly** sign, in the 4th sign, and aspected by **Jupiter**, the native will be worshipped by his relatives. A similar result comes when three planets are in their own houses.

131—134) If the lord of the 4th is in **Kendra**, or in the 1st, **5th**, or 9th, or in the Vaisishika amsa, and not aspected by any malefic, or associated with a malefic, the person will be very helpful to his relatives. If the lord of the 2nd is in the 11th, or in Trikona (1,5,9), and if the 4th sign is aspected by a benefic, the person will be very helpful to his relatives. Similar is the result when the lord of the 4th is in **Kendra** or in his own Navaamsa which is beneficial.

To be forsaken by relatives

135—138) If the lord of the 4th is associated with a malefic and in a cruel Shadvarga and is weak, the person will be forsaken by his relatives. The person will be reviled by his relatives, if the lord of the 4th or the Kaaraka of the 4th bhaava is associated with many malefics. If the 4th is a malefic **sign**, or if a debilitated planet joins with an eclipsed planet and not

aspected by any benefic the person will deride his relatives. If four planets are in a good sign, the person will be fostered by his relatives.

About beds

139—144) If the lord of the 12th is associated with a benefic, or in a benefic Varga or in its own exalted sign, the person will sleep on a cot. There will be no comfort in the bed if the lord of the 12th is associated with a malefic. Even if the lord of the 12th is a malefic, if he is in the Varga of a benefic, there will be comfort in affairs of the bed. There will be no comfort in the bed if the lord of Lagna is in the 6th, 8th or 12th place. The same is the case when the lord of Lagna is in debilitation. If the lord of Lagna is associated with Saturn, Maandi or Rahu, there will be no comfort in the bed.

EFFECTS OF THE 5th (Children's) HOUSE

Intelligent man

1—5) If the 5th house is that of a benefic, or aspected or associated with a benefic, the native will be intelligent. If the lord of the 5th is in exaltation or flanked by benefics the person will be intelligent. If Jupiter is in a quadrant

or in Lagna, the 6th or 9th house the person will be intelligent. If the lord of the 5th house is in a beneficial sign, and Jupiter is in the 5th the native will be intelligent. If Mercury is in the 5th and the lord of the 5th is in a quadrant and is strong, the person will be intelligent.

Of memory

6—8) If the lord of the 5th is in a quadrant associated with a benefic, the person will not be forgetful; he will have a tenacious memory. If the lord of the 5th or the Kaaraka is posited in an inimical amsa and aspected by a benefic, the person will not be forgetful. When the lord of the 5th is in the Gopura amsa the native will be more watchful and have a good memory.

Good remarks

9—15) The Kaaraka of the 5th bhaava posited in Gopura amsa makes the person considerate to others' points of view and intelligent. If the Sun and the Moon are in the 5th or 9th house the native will be fickle-minded. Even if Jupiter is in a quadrant, the person will be unsteady. If Mercury, the Moon and Mars are aspected by strong planets, the native will be alert and quick-witted. With Mercury in the 2nd and aspected by a weak malefic the person

will be fickle-minded. If Mercury and the lord of the 3rd are associated together, the person will be good-natured filled with saatwik qualities. If the lord of the 12th is in **Lagna**, the native will speak charmingly expressing **good** sentiments.

16—21) With the Moon in Lagna and the aspect of Saturn and Mars, the person will be mean-minded. With the lord of the 5th in a cruel ~~6th~~ amsa, the person will be petty-minded. If Saturn, Mars and the Sun aspect the Moon, the native will be a fool. With the Moon in the 6th, 8th or 12th **house** and aspected by Venus, the person will be astonishingly good. If the lord of the 5th is associated with a malefic, similar result is expected. If the Kaaraka for offspring is associated with a malefic or is in an evil amsa, the native will have a surprising nature.

Regarding idiots

22—28) If Saturn, the Moon and Gulika are in quadrants the native will be a dull-witted fool. With Gulika in the 2nd associated with the Sun **and** aspected by a malefic or with the lord of the 3rd associated with Saturn, the native will be an idiot. If the lord of the 2nd is associated with a malefic and posited in the

10th, the person will be shy in public and behave foolishly. If the lord of the 3rd is associated with Rahu, the native will be an idiot. The same result happens when Saturn is in the 5th and the lord of Lagna is aspected by Saturn and if the lord of the 5th is associated with a malefic. If Gulika and Saturn are in the 5th and are not associated with a benefic, the native will be idiot. If Jupiter is in the 5th house, even an intelligent person will forget his knowledge.

Regarding learned and wise men

29—34) If Ketu is in the Navaamsa Lagna and aspected by Venus the person will perform sacrifices or officiate in sacrifices. If two malefics are in the 5th and the 9th places from the Navaamsa Lagna the native will be a necromancer or magician. If two malefics are in the 9th place from the Navaamsa Lagna, and aspected by an evil planets the native will be an exorcist. With malefics in the 5th and the 9th places from the Navaamsa Lagna and aspected by benefics, the person will be of assistance to others. If the Navaamsa Lagna is aspected by Mercury, the Moon and Venus and if the lord of the 2nd is in the 7th house, the native will be a physician. If Venus and the Moon aspect the Navaamsa Lagna, the person will be an alchemist.

35—40) If the 5th house from the Navaamsa Lagna is occupied by the **Moon** and Jupiter who are associated with malefics, the person will write sacred books. If Jupiter is in the 2nd or 5th place from Navaamsa Lagna the person will be a grammarian. If Mercury or Jupiter is in the 2nd, 3rd or 5th place from the Navaamsa Lagna, the person will be learned in the **Mimamsaa** literature. He will be a logician if Jupiter and Mars are in the 5th, 2nd or 3rd place from the Navaamsa Lagna. He will be learned in saankhya philosophy, if Jupiter and the Moon are in the 2nd, 3rd or 5th place from Navaamsa Lagna. He will be learned in Vedaanta and music, if Jupiter and the Sun are in the 2nd, the 3rd or the 5th place from Navaamsa Lagna.

Mathematical skill

41—45) With **Jupiter** and Ketu in the 2nd, 3rd or 5th place from the Navaamsa Lagna the person will be skilled in Mathematics. The same happens when Mars is in the **2nd** and aspected by a benefic. If the Moon and Mars are associated and aspected by Mercury, or if Mars or Mercury are in quadrants, the native will be a mathematician. The same is the prediction

when Mercury or Jupiter is the lord of the 8th and is strong and posited in Lagna, and Saturn is in the 8th house. A strong Jupiter in quadrant or in the 1st, the 5th or the 9th house with Venus or Mercury in the 2nd makes the person a mathematician.

Astrological skill

46—42) If Mercury and Venus and in the 3rd and the 2nd houses the person will be proficient among astrologists. The same result comes when the lord of the 2nd is strong and Mercury is in a quadrant, the 11th, the 1st, the 5th or the 9th house. If Jupiter is in its high exaltation or in the 2nd house, the person will be the best among astrologists.

General remarks

49—54) If Mercury associated with Mars is in a benefical sign the person will give delight to learned men. If Mercury and Mars are in the Saturn signs of Capricorn and Aquarius and aspected by the Sun, the person will delight the official pandits (i.e. learned men of the Government). If the lord of the 5th is strong and is in a quadrant, the 1st, the 5th or the 9th house the person will be a Vidwaan. If the lord of Lagna is in the 2nd or the 11th house, the person will not only be learned in arts but also in

the Saastras/sciences. The lord of the 5th in the 10th or the 11th house makes the person a learned one. The lord of the **10th** in Lagna makes the person a poet.

55—60) The lord of the **11th** in own house (i.e. the 11th) will also make him a poet. If the lord of the 4th is in Lagna or the 7th house, the person will be very learned but dumb in public. If Jupiter is in the 5th or 9th house from the Moon and Mars is in the 5th or the 9th house from Mercury, the person will be skilled in all arts. If Jupiter or Venus is lord of the 2nd and aspected by the Sun or Mars, the person will be a logician. If Jupiter and Venus are in their exaltation, own house or in Moolatrikona, the **person** will be skilled in logic. If Jupiter is strong and the lord of the house occupied by Jupiter is aspected by the Sun and Venus, the person will be skilled in seven saastras (i.e. several sciences).

Knowledge of Vedaanta

61—65) If Mercury is the lord of the 2nd house and in exaltation, and Saturn is in Gopura amsa Jupiter in **Simhaasana** amsa, the person will be learned in the Vedaana philosophy. With Saturn in Paaraavata amsa and aspected by Mercury and Jupiter, the person **will be lear-**

ned in Vedaanta. The same is the result when Jupiter is in a quadrant or in the 1st, the 5th or the 9th house. Venus in Vargottama amsa posited in Lagna makes the person a Vedaantist. The same is the case when the Moon is in Devaloka amsa or Vargottama amsa and Venus is in a quadrant.

66—69) With Jupiter in a quadrant, Venus in **Simhaasana** amsa and Mercury in Navaamsa or Gopura amsa of the lord of the 2nd house, the person will be skilled in six Saastas/sciences. Determine the lord of the Navaamsa occupied by the lord of the sign where is posited the lord of the 2nd house. If this lord is Saturn or Mars and associated with malefics in a quadrant, the 1st, 5th, or 9th house, the person will be proficient in six Saastras. If the lord of the Navaamsa occupied by the Sun is in Vaiseshika amsa is strong and is in the 2nd house the person will be skilled in six Saastras. A strong Jupiter in the 2nd house and the lord of the Navaamsa occupied by the lord of the 2nd in a quadrant and **aspected** by a benefic make the person master of six Saastras.

Mastery of Vedaanta

70—73) If the lord of Lagna is in the 2nd and the lord of the 2nd in Paaraavata amsa the

person will be learned in Vedaanta philosophy. The same is the case when Mercury is in exaltation and in Lagna, the lord of the 2nd in **Paa-raavata** amsa and Venus in the 12th house. If the Kaaraka for offspring is in a quadrant or in the 1st, the 5th or the 9th house **and** aspected by a benefic, the person will be able to anticipate and predict coming events. If Jupiter is in his own Navaamsa or in **Mridvamsa** the person will know the past, the present, and the **future**.

74—78) The same in the case when Jupiter is in **Gopura** amsa and aspected by a **benefic**. With the lord of the 10th in **Devaloka** amsa and aspected by a benefic, the person will be absorbed in contemplation of brahmam. The same is the case when the lord of the 9th is in Paaraavata amsa and aspected by a benefic. If Jupiter, **Ketu**, Rahu and Saturn are associated **together** in a sign and aspected by Venus, even a **low-born** will become a Vidwaan. Rahu and the Sun associated with a benefic and posited in their Navaamsa Lagna together with a malefic planet will make the person proficient in poisonous cures.

Lack of children due to snake curse

79—83) If all planets are weak, the person will be childless. If Rahu is in the 5th **and** aspected by Mars, the person will be childless due to the curse of snake-god. The same is the case when Saturn is in the 5th house and aspected by the Moon and the lord of the 5th is associated with Rahu. If the Kaaraka for offspring is associated with Rahu and the lord of the 5th is weak and Mars is associated with the lord of the Navaamsa, the person will be childless due to snake curse. If the Kaaraka for offspring is in the 5th house, Rahu is associated with the lord of Lagna and the lord of **the 5th** in the 6th, the 8th or the 12th place, the person will be child less due to snake curse.

84—87) With Mars in **own**, Navaamsa and Mercury being the lord of the 5th associated with a malefic, the same result will occur". The same is the case when Mars is lord of the 5th **and** Rahu is in the 5th aspected by a benefic. Also when the lords of Lagna and the 5th house are weak and malefics are in the 5th. If the lord of Lagna is associated with Rahu and the lord of the 5th with Mars, childlessness results due to snake curse.

Childlessness due to Pitru-curse

88—92) If the Sun is lord of the 5th and is posited between malefics or in the 1st, the 5th or the 9th house and aspected by a malefic the person will become childless due to the curse of Pitrus (deceased forefathers). A similar fate comes when the Sun is in the 5th and is flanked by malefics, and Saturn and Mars are debilitated. Also when Jupiter is in Leo and the lord of the 5th is associated with the Sun, and malefics are in Lagna and the 5th house. With the Sun in the 8th, Saturn in the 5th, and the lord of the 5th associated with Rahu, the person will be childless due to Pitru curse. The same is the case when the lord of the 12th is in Lagna, the lord of the 8th in the 5th, and the lord of the 10th in the 8th.

Childlessness due to maternal curse

93—96) If the Moon is lord of the 5th and is weak and is between two malefics and if evil planets are in the 4th and the 5th houses the person will be childless due to the curse of deceased mother's spirits. If Lagna is Scorpio and Saturn posited therein, malefics in the 4th and the Moon in the 5th, the same fate overtakes the person. A similar misfortune happens when the lord of the 5th is in the 6th, the 8th

or the 12th house, **the** lord of Lagna is debilitated, and the Moon is associated with malefics. Also when the Moon is the lord of the 5th and associated with Saturn, Rahu and Mars.

97—100) If Mars is lord of the 4th and associated with Rahu and **Saturn**, and the Sun and the Moon **are** in Lagna, the person is cursed with childlessness by mother's **spirit**. The same prediction can be made if the lord of the 4th is in the 8th, if the lords of Lagna and the 5th are in the 7th, and the lords of the 10th and the 6th are in Lagna. Also when Rahu, the Sun, Mars and Saturn are in the 5th, the 1st, the 8th and the 6th houses, and when the lord of Lagna is in **the** 6th, the 8th or the 12th house. If Rahu, Mars and Jupiter are in the 6th, the 8th and the **12th** houses, and Saturn and the Moon are in the 5th, a similar misfortune occurs.

Childlessness

The person is childless :

101—103) If the Sun is in **Lagna** and Mars in the 5th. Also when the lord of the 5th is in the 6th, the 8th or the 12th house from Jupiter and the lords of the 5th, **the** 9th and **Lagna** are in the 6th, the 8th, and the **12th** places from Lagna; or when Jupiter is in the 5th and **malefics** in the 5th place from Jupiter.

Conceptionlessness

There will be no conception :

104—106) , With the **Sun** in Lagna and Saturn in the 7th, or with the **Sun** and Saturn in the 7th, and Jupiter **aspect ing** the 10th **house**; also when Saturn and Mars are in the 6th or in **the** 4th house; or when Saturn is together with the lord of the **6th** and occupies the 6th house, and the Moon is in the 7th.

Death of children

107—111) If either the 5th house or the lord of the 5th is flanked by malefic **planets**; or the Kaaraka for offspring associated with a malefic. When the **lords** of Navaamsas occupied by the lords of the 7th, 9th and 5th houses are in evil **amsas** and associated with malefic planets. If the lord of the 5th **is an** evil Nava-**msa**, or in a debilitated sign, or in the 7th house and aspected by malefics. When the lord of the 5th is associated with or aspected by the lord of **Triamsa** where the lord of the amsa occupied by **the** lord of the 12th is.

Ailment for son

If the **lord** of the **5th** -is in an evil **Shashth-**

yamsa aspected by a malefic, the son will suffer from ailment.

Destruction of family tree

There will be an end to the family line .•

112—123) If Mercury and the lord of Lagna are in quadrants other than the Lagna quadrant. When evil planets are in the **12th**; **5th** and the 8th houses; **also when** the **Moon** and Jupiter are in Lagna and either Mars or Saturn is in the 7th; or if a malefic planet is in the 4th house. If malefics are in Lagna, the 12th, the 5th **or** the 8th place. The Moon is in the 5th and malefics in the 8th, Lagna and the 12th house. If Mercury, Venus and Saturn are in the 12th, malefic planets in the 4th, and Jupiter in the 5th; if malefic planets are in the 8th place from the Moon; with a malefic in Lagna, the Moon in the 4th, the lord of **Lagna** in **the** 5th, and the **lord** of the 5th weak. **When** malefics are in the 5th house; **also** when Venus is in the 7th, the Moon in **the** 10th, and a malefic in the **4th** house; so also when Mars is in Lagna, Saturn in the **8th**, and the Sun in the 4th house.

Unhappiness due to childlessness

124—133) If the lord of the **3rd** and the Moon are in quadrants, the 1st, the 5th or the 9th place; when the lord of the 5th is in the

7th house or Lagna and is **strong** and associated with the lord of the 6th, or aspected by it. If the lords of the 5th and the 9th are **associated** with the lord of the 7th and posited in the 6th, the 8th or the 12th house and are weak, and the 5th house is not aspected by a **benefic**. If Saturn, Venus and Mars are in the 7th house. If Saturn and Mars are in the 9th or 10th house **childlessness** will result. If Saturn and Mars are in Leo (which happens to be 5th house), and the lord of the 5th is in the 6th house. If Aries or Scorpio (the **house** of Mars) happens to be the 5th house and Rahu is posited therein, and aspected by Mars. The **same** is the case when Jupiter or Venus is in a weak sign, Mercury in an even sign, and the Sun in an odd sign.

Loss of children

134—138) If the 5th is either associated with or aspected by an evil planet, there will be abortion. If the Sun in all its rays is in the **5th** house, the person will lose every child that is born. A similar fate overtakes the person if a malefic is in the 5th house. He will be childless, if Saturn is in the 5th house. There will be loss of children if the Sun is in the 5th house. The same is the fate if the lord of the, 3rd is in the 12th, the 1st, the 2nd or the **5th house**. If

malefics are in trines, and **the** waning Moon in Lagna, and Jupiter in eclipse posited in Saturn's house, the person will get children; but the children will not last long. A similar fate is predicted when Mercury is in the 5th, and malefics are in Lagna and the 4th house.

Childlessness

139—146) If Sagittarius or Pisces happens to be the 5th house, there will be no **child** born. Childlessness is **the** result of Saturn and Mercury being in Lagna, **and** Venus and Jupiter in Scorpio. **If the** lord of Lagna is in the 6th and aspected by Mercury **and** the Moon, and if the Sun is in the 6th or the 12th house. When the lord of the 5th is in **the** 7th amsa and is associated with a malefic. Also when **Jupiter or** the lord of the 5th is weak and associated **with** a malefic. Again when the lord of Lagna is associated with a malefic, and the lord of the 5th is in the 6th, the 8th **or** the 12th house. And when Jupiter is in the 1st, the 5th or the **9th** house associated with a malefic. Or when the lord of Lagna is in the house of Mars (Aries or Scorpio), and the lord of the **5th** in the 6th house.

Childlessness due to divine curse

• • 147—150) The person will **have** no children

born to him due to his failure **propitiate** the" tutelary god; this will be indicated in his horoscope by **Saturn** posited in the 6th house and aspected by Mercury, the Moon and the Sun and the Lagna being aspected by a malefic. A similar fate is indicated when the Sun is in Saturn's house. (Aquarius or Capricorn) and aspected by a malefic, and the Lagna is in a malefic Shadvarga. If Rahu, the Sun and **Mars** are in the 5th house, the person will get a child after performing purificatory **ceremonies**. The person will be childless if the lord of the **12th** is either in the 10th or Lagna position. Also when Virgo is the Lagna where is posited the Sun, and Mars is in the 5th house.

Yoga for having children

151—158) If the lord of Navaamsa occupied by the lord of the 7th is **aspected** by the lords of the 1st, the 2nd and the 9th the person will **have** progen; the same **fortune** comes **when** the lord of the 5th is either associated with or **aspected** by the benefics and **posited** in either Lagna or the 5th house; also when the lord of Lagna is in the 5th and Jupiter and the lord of the 5th gain strength; and **again** when a strong Jupiter is in the 5th aspected by **the** lord of Lagna; or when Jupiter and the lord of the **5th**

are in Vaiseshika amsa and aspected by benefics; and when ~~then~~ the lord of the 2nd is strong and occupies the 5th house and **aspected** by Jupiter; when the lord of the 5th and the lord of Lagna aspect each other; when the lord of the 5th and the lord of Lagna **occupy** each other's house despite association with other planets or aspects by them;

159—166) When the lords of the 5th and Lagna are in quadrants aspected **by** benefics; When the lord of the Navaamsa occupied by the lord of the 5th is either **associated** with or aspected by benefics. When the lord of the 9th and Lagna are in the 7th and the lord of the **2nd** in Lagna; when the lord of the 5th is in **Mri-dvamsa**; when the lord of the **6th** is in Gopura amsa; when the lord of the Navaamsa occupied by the lord of the **5th** is in Lagna and the **lord** of Navaamsa occupied **by** the lord of Lagna is in the 5th house; when the lord of Navaamsa occupied by the lord of Lagna is in the **5th** house; when the lord of Navaamsa occupied by Jupiter is in a quadrant; and when the lords of the 9th, the 1st and the 5th are in paaraavata amsas and aspected by benefics.

Birth after long delay and difficulty

167—170) If the lords of the 1st, the **9th**

and the 5th are associated with benefics and posited in the 6th, the 8th and the 12th houses, the person will have progeny after a long delay. There will be delay in getting children if the 5th house happens to be Aries, **Taurus** or Cancer, and Rahu or Ketu occupies it. If a benefic is in the 10th and a **malefic** in the 5th the baby will be born after long delay. If the lord of the 5th is in debilitated house, the lord of the 9th in Lagna, and Mercury and Ketu are in **the** 5th, the child will **be** born after great difficulty.

Year of birth

171—173) If a malefic or Jupiter is in the 4th house, and the Moon in the 6th or the 5th, the person will get a baby in his 30th year. **With** a malefic in an evil sign and a **powerful Sun** in Lagna and Mars in an even sign, one can **predict** the birth of a baby after the 30th year. If the Moon is in Cancer and aspected **by** a malefic or **associated** with it, and the Sun is aspected by Saturn, the person will get his **son** in his 60th year.

Male or female determination

174—176) If the lord of Lagna is in the 1st or the 3rd house, the person will get **his** 1st born as a son. **This** is the case if the **Moon**,

'Mars and Venus are in dual signs. If a malefic is in the **11th**, and the Moon and Venus in the 5th, the 1st born will be a female.

Determination of number of children

177—182) If Cancer is in the 5th **house** and the Moon is posited **there**, the person will have daughters or few **sons**. As many male planets aspecting the 5th house will be the number of sons born to a person. The number of girls will be determined by the **number** of female planets aspecting the 5th house. If Rahu is in the 11th house the person will get progeny in his old age. If the lord of the 5th is **weak** and is in the **6th**, the 8th or the 12th house and **associated** with a malefic, the wife will bear only one child. **The** same is the case if the lord of the 5th is weak and associated with Saturn.

183—190) If the 5th house is not aspected by either Mars or Venus, the person will have no **child, although** he marries twice or thrice. If the sign of **Venus** (Taurus or Libra) is a trine and is occupied by the Moon, the person will have only one **son**. If Rahu or Ketu is in the 5th house, the person will have a bad son. If the Sun is in the **5th** and aspected by a benefic the person will have three sons. If Capricorn is the 5th house and Saturn is **posited** there the

person will have three sons. The same is the case if Mars is in Capricorn which happens to be the 5th house. With Aquarius as the 6th and Saturn posited there, the person will have five sons. If the Sun, Mars or Jupiter is in the 5th house, the person will get 1, 3 or 5 spns respectively.

Birth of many daughters

191—195) If the Moon, Mercury, Venus or Saturn is in the 5th house the person will get 2, 3, 5 or 7 daughters respectively. If Mercury is in the 5th and the lord of the 5th is in the 6th, the person will lose his sons and have only daughters. There will be many daughters born if Mercury is in the 5th or the 7th house. If the lord of the 5th is in Samarksha Varga in an even sign and associated with Mercury and Saturn and aspected by either Venus or the Moon, the person will have only daughters. If the 5th house is an even sign and is the Varga of Venus or the Moon, and is aspected by Venus and the Moon, the person will have many daughters born to him.

Yoga for many children

196—201) If the 5th sign is odd, and in the

Varga of Venus and the Moon, and is occupied by Venus and the Moon, the person will have many sons. If the 5th is the house of Venus (Taurus or Libra) or the Navaamsa of Venus, and aspected by Venus, the native will have many children. With Mercury, Venus or the Moon in the 11th house the person will have many daughters. The same is the case if the lord of the 5th is either in the 2nd or the 8th house. If the 5th house happens to be the Lagna or the Moon's Lagna, and is a beneficial sign, and associated with a benefic, the person will have sons; if otherwise, he will have no son. If the lord of the 5th is a male planet and in a male sign and in a male Navaamsa, the person's first-born will be a son. If otherwise, i.e. the lord of the 5th being a female planet in a female sign and female Navaamsa, the first-born will be a daughter.

Determining the character of children

202—219) If the lords of the 5th and Lagna are equal, the person will have an indifferent attitude to his son. If the lords of the 5th and Lagna aspect each other, the son will be obedient to the father. The same is the case if the lords of the 5th and Lagna are in each other's Navaamsa. If the lord of the 5th is in Lagna

and the lord of Lagna is in the 5th the son will obey his father. The same is the case when the Lagna is aspected by the lord of the 5th and the 5th house is aspected by the lord of Lagna. If the 5th house is occupied either by the Moon or Venus, the person will have a daughter. There will be no progeny, if Saturn associated with the Moon is in the 11th house. If the 5th house is one of the Vargas of Jupiter and is also a beneficial sign, the person will have legitimate children.
